

Message from Wasatch County Fire Warden

19 June '86

Wasatch County is different from most counties in Utah, in that with all the tourism and dense vegetation, there is high potential for a damaging wildfire. Yet, there has not been one since 1977.

Wildfires not only destroy timber, structures and threaten human lives but also fill our lakes, rivers and streams with ash and silt. Your county fire warden would like to take this opportunity to enlist your support in preventing wildfires.

Become familiar with various

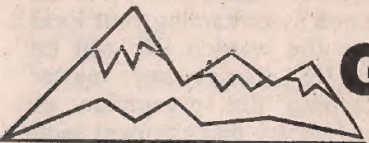

fire prevention topics such as debris burning, campfires, chainsaws and safe practice around your home. Information can be obtained by contacting your local county fire warden. He will be happy to discuss any matter concerning fire prevention or other forestry management tactics.

Your local fire warden would like to wish you a safe and fire-free summer, and thank you in advance for your cooperation in supporting an effective fire prevention program.

*These low annual percentage rates are available to qualified buyers when participating dealer arranges financing through Ford Credit. Limit one. Order or take delivery from dealer stock by July 5. Early order cut-off may affect some models. Dealer contribution may affect savings. Certain term restrictions apply. See your dealer for qualification details, price and terms.

Come in for these and other
hot Ford Fever deals now.

HEBER VALLEY FIRE DEPARTMENT

Heber City, Utah 84032

Dear Fellow Citizens,

Each year the local Fire Department holds an Annual Fund Drive. Funds from this drive are used to support the social and training activities of the department, as well as help maintain and provide fire equipment for the protection of the local citizens. As our communities grow and expand, so does the costs of good dependable fire protection. The Heber Valley Fire Department at the present time is equipped with three modern pumping units and staffed with 25 volunteer firemen, who pledge their service to the protection of you and your family and property.

In an effort to continue providing Wasatch County with quality fire protection, the local volunteers, are once again inviting the citizens to support their current Fund Drive.

Please make all checks payable to: **HEBER VALLEY FIRE DEPARTMENT**. Boxes will be provided where you may drop-off stubs and contributions at the following addresses for your convenience.

HEBER CITY OFFICE
37 East 100 North

WASATCH AUTO
105 North Main

HEBER LIGHT & POWER

Toll Painting

We have toll painting on Tuesday's at 10:00 a.m. We would like to get more people interested because we have a real good time. So come on out and join us.

On Wednesday, May 7th, six faculty members from Central School were able to visit the Club heights Elementary School, in Ogden, to do further study of the educational model. The teachers would like to thank the parents who volunteered their time in the classroom so they could go to Ogden. A big thanks to the following volunteers: June

Hicken, Sally Quinters, Barbara Ryan, Eddis Witt, Stephanie Merryweather, Elaine North, and Cindy Carlile.
